### Chrysler Group leads Detroit "big" tripple

Chrysler Group sold in Japan last year, more cars than Ford and General Motors and is the most growing U.S. car dealer in Japan.

Newly registered car brands Chrysler, Dodge, Jeep and Ram was 4871 compared to 3469 from 966 from Ford and General Motors over the same period. Jeep was the most sold brand in the U.S. in December and generally sold for only about 315 less than Ford cars for the same period.
